

LEARNING PACKAGE FOR CHAPTER 1 OF GHOST HOUSE

Background information for teachers and caregivers:

[Ghost House](#) is a classic ghost story in which three boys are challenged to spend the night in a house that is reputed to be haunted. In Chapter 1, we meet the three main characters: Tyler (the narrator), his little brother Zach and their friend Hammy, as well as another friend AJ.

The print novel [Ghost House](#) is available for purchase from High Interest Publishing (www.hip-books.com).

Something to think and talk about:

1. Many ghost stories take place in a haunted house on a dark and stormy night. What else might you expect to read about in a ghost story?
2. Which of the boys believe in ghosts? How do you know?
3. What do you think about the dare? Is it a fair trade?
4. Why is it important for AJ to have the ball for a month?

Something to do:

The two main characters in this story are Tyler and Hammy. Tyler is the one telling the story. On the next page, tell three things that are different about Tyler and Hammy and two things that are the same.
